with 3 LED Torch, gets  
charged by Sun!

No batteries !!

Use in no Light areas

### Specification

Lamp: 3pcs super bright LED

Lamp power: 13000MCD

Use life: 100000 hours NI-MH

Battery: 120mA

Charge time need 2 hours

Work time: 4 hours

Size: 5.5\*3.5\* 1cm

Weight: 19.2g

# Solar Barrel Lantern with Torch JSS-176

## JSS Solar Barrel Lantern with Torch

Product Parameter

- product material: ABS
- product style: telescopic
- Brightness : 3 to 5W Energy-saving lamp brightness
- lamp bulb: high-power.6LED
- product function: solar energy charge , 220V charge , USB charge , power bank
- product size: 125\*85/185\*85MM
- Unit packing size: 95X95X140MM
- Product N.W.: 300g. With packaging N'.W.:349g
- packing quantity: 72 pcs
- carton size:60X40X43 CM
- G.W.: 26.8KG
